Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Thursday 27 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry with some sunshine on Thursday, feeling warm.

Today:
Parts of the north and east starting cloudy but brightening up with some sunshine for most, perhaps staying cloudy over the Northern Isles. Central and southwestern areas will see the best of the sunshine. Warmer than of late.

Tonight:
Some evening sunshine, then clear spells tonight, but coastal haar in northeast, and thicker cloud will bring some light rain to the southwest by morning.

Friday:
The south and west will be cloudy with some light rain or drizzle at times. The northeast and far north staying dry, sunny spells but coastal haar.

Outlook for Saturday to Monday:
Cloudier on Saturday but brightening up for most, quite warm, east coast haar. Sunday looks warm dry and sunny. Cloudier on Monday, rain reaching north and west.
